Be one of the hundred!

—A barn belonging to James T. O'Neill, at what was Belmont in the olden times, a mile west of Pleasant Mount village, was destroyed by fire on Sunday evening last, together with 25 tons of hay, and a considerable amount of other valuable property. The building was insured for \$1,000, and the contents for \$200, in the Wayne County Farmers' Mutual. The origin of the fire is not known.

—A sad accident befell Albert, the 13 year old son of A. W. Hartung, proprietor of the Callicoon Hotel, and grandson of Henry Hartung, of this place, on election day. The lad was playing with a number of companions in an Erie coach used on the work train, and while holding an apple and an open knife in his left hand he tried to open a window. The knife slipped from his grasp and the blade, striking his left eye, inflicted a gash about half an inch long. His father hurried the boy the same evening to Binghamton, where a skillful oculist, in the Binghamton hospital, took eight stitches in the eyeball, and is doing everything possible to save the lad's sight, which is very seriously threatened.

—Graham Watts, Past Commander of Capt. James Ham Post, No. 198, G. A. R., of our borough, has been commissioned as Aide-de-Camp, with the rank of Colonel, on the staff of Gen. H. M. Nevius, Commander-in-Chief of the G. A. R. Col. Watts enlisted in Co. C, 67th Penn'a Vols., in December, 1861, as soon as he reached the age of admission to the ranks—eighteen; was promoted to Sergeant; re-enlisted at the close of his term, and served until the close of the war; participating in the battles in the Shenandoah Valley, including Fisher's Hill and Cedar Creek, and in those in front of Petersburg, and during the campaign ending with Lee's surrender at Appomattox, April 9, 1865.

—At a meeting held in the offices of the Lackawanna Securities Co., Scranton, on Monday afternoon of last week, a temporary board of directors for the Scranton Fire Insurance Company was formed. The report made by the Securities Company acting as fiscal agents for the Insurance Company, was considered highly satisfactory, and work for the completion of the organization will now be pushed without a moment's delay. It is expected that the new Fire Insurance Company will begin business in the near future. Among the persons named for the temporary board of directors we notice the names of Hon. George W. Kipp, President of the First National Bank, of Towanda; Hon. E. B. Hardenbergh, Ex-Auditor General, and Hon. John Kubbach, Attorney-at-Law, Director of the Farmers' and Mechanics' Bank, etc., of this place.

—Charles Herbig, aged 65 years, and employed for a number of years past at the E. Robinson brewery at Scranton, committed suicide Thursday last, by hanging himself with knotted twine tied to a bedstead, at his home at that place.

—The post office and store at High Lake, Buckingham township, was burglarized on the night of Nov. 12th. The thieves got away with a quantity of stamps, jewelry and other articles from the store. There is no clue to the robbers.

—On Friday last William Penwarden, of Carley Brook, brought down for shipment his yearly drove of young cattle, numbering about twenty head. They were a handsome lot of animals and so full of mischief that considerable difficulty was experienced in getting them aboard the cars.

—The Commissioners of Wayne and Susquehanna counties and the Erie officials having failed to meet at Carbondale last week to settle matters connected with the proposed county bridge at Forest City, as was expected, it is now understood that the conference will be held some time next week.

—The Delaware & Eastern Railroad has awarded the contract for the construction of its upper line from Grand Gorge to Schenectady to W. J. Oliver. It is confidently stated that service will be installed to Schenectady by next year, and from Wilkes-Barre, through Wayne county, within two years.

—Spruks Brothers, of Scranton, but former residents of Honesdale, and Andrew Payne of Long Eddy, N. Y., who recently became possessors of the old Del. & Hud. canal aqueduct over the Delaware river, at Lackawanna, have converted it into a toll bridge. It was entirely rebuilt just previous to the abandonment of the canal in 1898.

—A slight wreck occurred on Thursday night last, at Farview, one car in an east bound train jumping the tracks. Richard J. Dyer, a fireman, was thrown from the train and sustained slight injuries. Dr. W. J. Lowry, the company physician, attended to his injuries and removed the injured man to his home in Carbondale. His condition is not serious.

—Over 700 Republicans of Bradford county disfranchised themselves on all but the presidential electors, at the recent election, by wrong marking of their ballots. Col. C. C. Pratt's majority for Congress was thus reduced by several hundreds. Probably there were thousands of other similar cases throughout the State, in voting for electors. Some 500 Susquehanna county Republicans and nearly 300 in Wayne made the same error.

—The stockholders of the First National Bank of Forest City have decided to double the amount of the capital stock of that institution, making it \$50,000 instead of \$25,000. Of the amount of the increase, \$20,000 will be distributed as a dividend, the balance to be paid in cash. With the original capital the bank has been markedly successful, having accumulated a surplus fund of \$25,000, and undivided profits of from \$5,000 to \$10,000.

—A resident of Hawley, while digging a well for Charles Mitchell, at Hollisterville, had a pretty close call, one day last week. He was at the bottom of the well engaged in loading up a large bucket with earth and stone. A link in the chain gave way, letting the bucket and contents fall back into the excavation. Fortunately the man was standing close to the side, or he would have met with instant death. As it was he escaped with several broken ribs, and severe injuries to his back and side.

—Frank G. Farnham, of this place, has had issued to him under date of November 3d, two additional patents on the process of dipping cut glass in an acid bath, while in course of manufacture. This makes seven patents which he has secured covering this invention, and as these are the only ones in existence protecting the process, which is of the utmost importance to the cut glass industry of the United States, we may well take pride in the inventive genius of our townsman.

—C. A. Cortright & Sons, produce dealers and fruit shippers of this place, inform us that during the month ending November 7th, last, they shipped from Wayne county, mainly from Honesdale, thirty-five cars of apples, with an average of two hundred barrels to the car, an aggregate of 7,000 barrels, or 21,000 bushels. They have also shipped from Honesdale fifteen car loads of rutabagas, averaging seven hundred bushels to the car, a total of 10,500 bushels. This disposes of the story that there were no apples in Wayne county this year.

—Within a radius of fifteen miles of Susquehanna, the Canawata Rod and Gun Club, has, within the past year, stocked the streams and lakes with 110,000 trout fry; 100,000 half-eyed pike; 250,000 pickerel; 35,000 small mouth black bass; 1,300,000 perch-pike fry; 15,000 lake trout; 25,000 rainbow trout (two inches long); 60,000 brook trout (from two to three inches long); 2,000 large mouth bass (from three to seven inches long); and 4,000 small mouth bass, about two and one-half inches long. Four hundred and ninety-five thousand of the fish, the first four shipments, were from the State Hatchery at Mount Pleasant. The balance were obtained from the government largely through the influence of Congressman Kipp.

—The funeral services of the late Peter Schoell, of Hawley, were held on Monday afternoon last. Deceased was 38 years of age and is survived by a sister, Mrs. Edward Goldbach. Mrs. Wm. J. Ferber and Mrs. Barbara Rief attended the funeral from Honesdale.

—We regret to state that our former townsman Fred. M. Spencer, and his wife, now of Green Ridge, are both prostrated with typhoid fever, with two trained nurses caring for them. The children were brought to Honesdale when Mr. Spencer was first taken sick, and will remain with relatives until danger of contagion is past.

—The Wellsboro Agitator says that Hon. Andrew B. Dunsmore may be brought into prominence ere long as a candidate for Speaker of the next House of Representatives at Harrisburg. If the members from Philadelphia and Pittsburg recognize the claims of the country in the matter, Mr. Dunsmore will at once hold a leading position. As Mrs. Dunsmore is a Honesdale girl, it is likely that Wayne will join with the other counties of the northern tier in approving the selection, if he should be named as presiding officer of the House.
